

# ZORA'S GARDEN

By: Rae Chesny

Illustrated By: Natalia Scabuso

## *About the Book*

**In the Florida town of Eatonville,  
Zora experiences magic ...**

With the loving wisdom of her mother, Lucy, Zora learns the perfect recipe for creating the stories and growing gardens. Join in the fun as Zora learns about the power of storytelling and the delight of gardening.

This heartfelt adventure honors the real Zora Neale Hurston with the perfect mix of fact and fiction crafted by Zora Scholar Rae Chesny.

## *About the Author*

Zora's Garden was written by Zora Neale Hurston Scholar & award-winning Social Education Expert Rae Chesny. Rae is also a Literacy Consultant for Johns Hopkins University. She is bursting with excitement to help children around the world learn about the amazing life of Zora Neale Hurston in a fun way. Rae also enjoys giving young readers a chance to use their imaginations. She believes that learning to use our imaginations is the first step to becoming great storytellers.

When Rae is not coming up with new stories, she enjoys going on adventures with her son, Cam, and working in her garden.
